

Our Dane System will suit almost any work environment. With its clean lines and cost effective local construction, it is a simplistic desking solution that can be adapted to meet any requirements. We manufacture in our Auckland based factory, which provides us with the ability to customise sizing to provide you with the best possible workplace solution. The Dane System also works well with our Runway 30mm screens, which are available in a variety of finishes. Accessorise your desk and screens with additional storage solutions to fully customise your personal workspace.
